

Mountbatten Institute

Sponsorship

The Mountbatten Institute partners globally with organizations to provide postgraduate education and training opportunities to recent graduates and young professionals, pairing yearlong overseas internships with evening and weekend classes to create a unique learning experience for future leaders in international business practice.

Approximately 500 student interns per year travel to London or New York to develop professionally in a variety of leading corporate and non-profit companies. The Mountbatten Programme is officially designated by the US Department of State, Bureau of Educational and Cultural Affairs, to administer a J-1 Exchange Visitor Program, and by the UK Home Office as a Tier 5 government authorized exchange sponsor.
